

## **Gray Wolf Management Monthly Update for June 2014**

*Note: Information in this update is intended to highlight the month's major wolf management actions and is not intended to be a comprehensive detailing of all management activities. Information in this update is draft and subject to change as details from the field become available. Finalized annual reporting of this information will be published in the 2014 annual wolf report available in April 2015 on the Wyoming Game and Fish Department's website.*

### **Verified Wolf Killed Livestock**

- Number of verified wolf killed or injured livestock and dogs caused by wolves classified as trophy game animals since January 1, 2014.

Number of livestock and dogs	12
------------------------------	----

### **Research and Monitoring**

- Large Carnivore Section personnel completed the 2013 Wyoming Gray Wolf Monitoring and Management Annual Report. The annual report summarizes all information on wolf monitoring and management in Wyoming statewide during calendar year 2013. The annual report is available to the public at the following link:
